

USA E-2 Visa

About E-2 Visa

The E-2 visa is designed for entrepreneurs seeking to establish and operate a business in the United States. To qualify, your country of origin must have a commerce and navigation treaty with the US. While most countries are eligible, notable exceptions include China, India, Russia, and Brazil.

To be eligible for an E-2 visa, you must meet the following key requirements: be a national of a treaty country, invest a substantial amount of capital in a US-based enterprise, direct and develop the enterprise's operations, and place lawfully acquired capital at commercial risk with a profit objective.

Country Overview

- Capital: Washington, D.C.
- Population: 335 million
- Area: 9.8 million sq km (3.8 million sq miles)
- Major language: English
- Life expectancy: 74 (men) 80 (women)
- Currency: USD

Eligibility Criteria

To qualify for an E-2 visa, applicants must:

- Be a citizen or national of a country with a treaty of commerce with the United States
- Seek entry to the US solely to develop and direct a US business entity, with a minimum of 50% ownership
- Have invested, or be in the process of investing, a significant amount of capital in a bona fide US business entity

Why Choose E-2

- **Flexibility and Autonomy:** Run your own business with freedom to make decisions and shape your company's future.
- **Live and Work in the US:** Enjoy the benefits of living and working in one of the world's most dynamic economies, with access to top-notch education, healthcare, and lifestyle.
- **Potential Pathway to Permanent Residency:** The E-2 visa can be a stepping stone to permanent residency in the US, providing a potential long-term solution for you and your family.
- **Access to the US Market and Economy:** Tap into the vast and diverse US market, with opportunities to expand your customer base, establish partnerships, and drive business growth.

Key Benefits

01

No minimum investment requirement, as it varies depending on the business type

02

Eligibility for regular visa renewals (approximately every 2 years) with no maximum time limit for the investor, spouse, and unmarried children under 21

03

Relatively fast processing time: approximately 4-6 months from filing

04

Flexibility for the investor to invest in their own business

05

Requirement for the investor to continually "develop and direct" the business, while the spouse can pursue other work activities

06

Eligibility for the investor, spouse, and children (unmarried, under 21) to obtain a U.S. Social Security Number and enjoy benefits such as working, studying, and living in the United States.

TIMELINES

Stage 1

Initial Consultation and Guidance

Essential guidance and information are provided to initiate the process effectively.

Stage 2

Company Establishment and Documentation

Company and bank account establishment in the US, along with compilation of necessary documentation, including a business plan.

Stage 3

Business Opportunity Selection

A curated selection of profitable franchises or businesses is presented, providing comprehensive insights to inform decision-making.
